FOR CONTROL OF BONE  
FORMATION VIA MODULATION OF  
LEPTIN ACTIVITY

Attorney Docket No.: 9142-006-9980

**SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT**  
**UNDER 37 C.F.R. §1.56 AND §1.97**

Assistant Commissioner for Patents  
Washington, D.C. 20231

Sir:

In accordance with the continuing duty of disclosure imposed by 37 C.F.R. § 1.56 to inform the Patent and Trademark Office of all references coming to the attention of each individual associated with the filing or prosecution of the subject application, which are or may be material to the patentability of any claim of the application, attorneys for Applicants hereby direct the Examiner's attention to references CO and CP listed on the attached revised form PTO 1449. Legible copies of references CO and CP are submitted herewith.

Identification of the above-listed references is not to be construed as an admission of Applicants or Attorneys for Applicants that such references are available as "prior art" against the subject application. Consequently, Applicants respectfully decline to use form PTO-1449, since that form identifies all of the references cited therein as "Prior Art." As an alternative, Applicants submit herewith a "Revised Form PTO 1449" entitled "List of References Cited." Applicants respectfully request that the Examiner review the references cited on the attached revised PTO Form 1449, and that the references be made of record in the file history of the instant application.

Pursuant to 37 C.F.R. § 1.97(b)(3), since this Information Disclosure Statement is believed to be filed before the mailing date of the first Office Action on the merits, no fee is believed to be due. However, should the Patent Office determine otherwise, please charge the

required fee to Pennie & Edmonds LLP Deposit Account No. 16-1150. A copy of this sheet is enclosed.

Respectfully submitted,

Date June 12, 2001
